

Bicentennial 2021

A group called the Bicentennial Organizers are putting together a 200th birthday celebration for Montgomery County.

February 12, 2021 the county will be 200 years old. On February 13th at 12 noon on the Historical Courthouse steps a proclamation will be read with all county board members, elected County officials as well as the State and US Representatives are invited to attend as are all county residents. A reception will follow in the lobby of the new courthouse.

A warmer celebration will be held on June 5, 2021 at the Montgomery County Fairgrounds located in Butler from 11am to 7pm. There will be old tractors on display, a car show area, music, wood carver, reenactment as well as displays of old equipment used. In the Arts and Crafts building there will be a display of the towns in Montgomery County's history, some may also have items displayed. There will be a large area with organizations and businesses selling food, gifts, crafts and many other items, music, a cake walk, children's games and also hopefully a petting zoo.

More information will follow as we continue to grow with our celebration.

If you have any ideas or would like to participate, please contact Patty Whitworth, Donna Yeske, Jeff Dunn or Tim Fogle.
